SHOPPING FUN

In the bustling city of Hyderabad, a new and exciting project is on the horizon, set to redefine the way communities live and shop. Introducing "PRIDE", a groundbreaking initiative that seamlessly blends residential living with a vibrant shopping space, creating a harmonious environment for residents and shoppers alike.

The Pride project takes the concept of live-work-play to a whole new level. On the front and back side of the shopping space lies a flourishing residential community, where residents can enjoy the luxury of having shopping, dining, and entertainment options right at their doorstep. This integration of living spaces with commercial amenities is designed to enhance the overall quality of life for the community.
